What is Backstage?

Southwest Virginia Ballet (SVB) is a regional pre-professional youth ballet that has provided the highest quality dance instruction for the past 28 years.

Backstage is a devoted group of members who believe in the importance of supporting dancers of SVB by organizing volunteers, fundraising to provide performance shoes, costumes and company dancewear. **Backstage** also provides merit and financial based scholarships to our SVB dancers. An annual \$30.00/individual or \$100.00/family donation to **Friends of Backstage** will ensure success!
